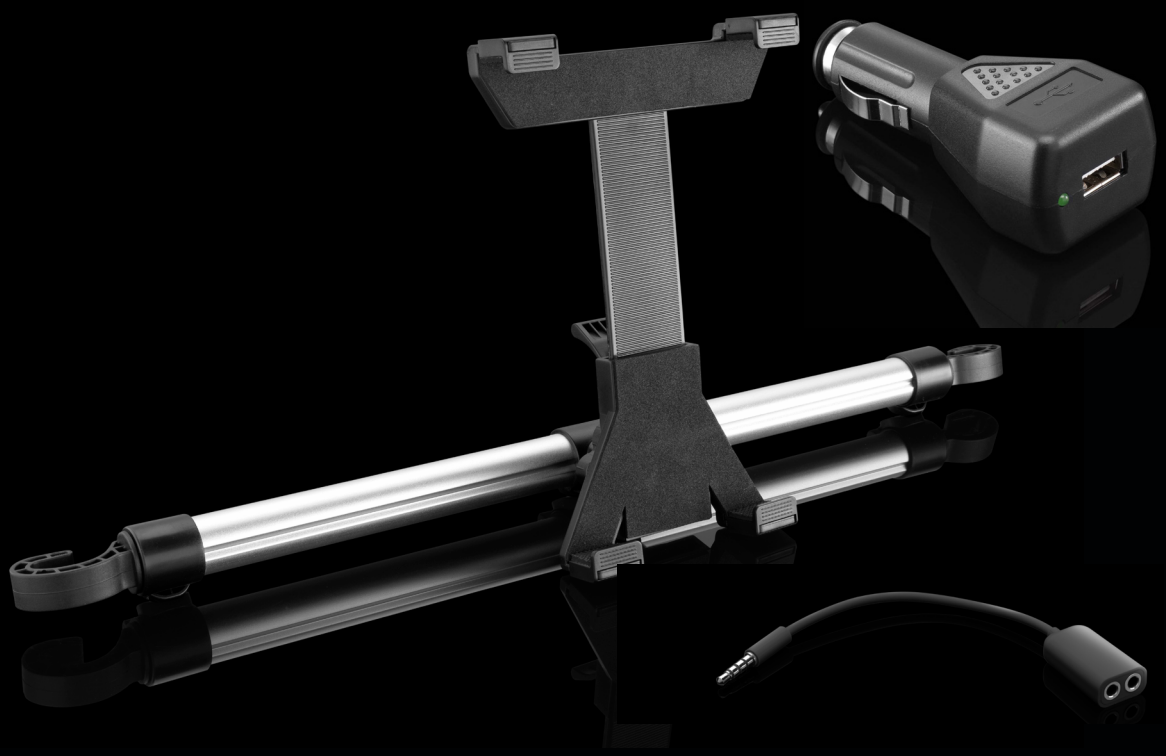
TAB-CARKIT 20

Universal car kit for tablets

For all sizes of tablets, including iPad



TAB CARKIT-20 - Having your favorite mobile gadgets with you while driving is a must - and so is keeping your passengers and kids quiet. This Universal Car Kit for tablets gives you a set of mobile accessories for your car so you can keep your tablet safe and your passengers satisfied.

Easy viewing

With the rod, you can mount the tablet between the front seats, so both passengers have a perfect view. The tablet holder, which is mounted on the rod, is suitable for all sizes of tablets (ranging from 7 tot 10").

Never an empty battery

The TAB-CARKIT 2O is also including an USB car charger. Which plugs conveniently into a car's cigarette lighter and allows you to charge your tablet via the USB connection.

Relax driving without any rumor

Since the TAB-CARKIT 20 also comes with a headphone splitter, both passengers can listen together to their favorite movies, music or whatever, without you being distracted.
